# #meWork

The first Italian global brand in the office design field. Me.Work is the brainchild of Lapo Nicoletti to spread the “Made of Italy” image as a global concept.

The Italian Brand that since 1982; had been a major consultant over a number of manufacturing components. Me.Work goes beyond Italian made. It is a concept in which all shareholders can be involved and identified through the product.

The phrase “Made of Italy” does not only represent our product’s origin; but also our commitment and tradition behind every product.
