

DESIGN

LEGGERA seating has built-in intelligence for user comfort. The LEGGERA Seminar and Conference chairs provide intuitive recline, ensuring user weight is absorbed and distributed to provide natural support. Its side-to-side torsional flex allows the backrest to follow the user as they move, increasing mobility and comfort when reaching sideways for objects.

PERFORMANCE

With models and options to support a variety of tasks and collaborative needs,

LEGGERA works to bring consistency throughout an organization.

Featuring chairs perfect for corner offices, conferencing, cafeterias, medical centers, classrooms — and all points in between — Very operates in a wide range of environments.

MATERIALS

LEGGERA seating is easy on the environment - it's BIFMA level 3 certified.

The family includes up to 65% recycled content and is up to 98% recyclable.

LEGGERA seating can be disassembled and sorted for recycling.

And, LEGGERA is GREENGUARD® certified. The LEGGERA seating family is sure to support your sustainability strategies and may contribute toward LEED® credits.
